## MIGHTY STRIKERS PROGRAM

MPSA Mighty Strikers Program is a fun introduction to soccer for girls and boys ages 6-7. MPSA Mighty Strikers Program clinics consist of fun games which create opportunities for young players to further develop basic soccer techniques (ex. stopping the ball, turning with the ball, running with the ball, passing, shooting) as well as short scrimmages and mini tournaments. Our program has been developed by both soccer and early childhood education specialists
