

MICHIGAN PREMIER SOCCER ACADEMY FUTURE STARS PROGRAM

MPSA Future Stars Program is a fun introduction to soccer for girls and boys ages 4-6. MPSA Future Stars Program clinics consist of fun games which create opportunities for young players to discover and to use basic soccer techniques (ex. stopping the ball, turning with the ball, running with the ball, passing, shooting) as well as short scrimmages. Our program has been developed by both soccer and early childhood education specialists.

Due to Covid-19 adjustments a parent should plan to attend in athletic gear to support their player as social distancing requirements will be expected. It will be a great way to get outside with your player and have fun! Please read the Return to training guidelines <https://www.michiganyouthsoccer.org/AssetFactory.aspx?did=6035>
