## **WELCOME TO MPSA CRUSH**

MPSA CRUSH is totally committed to players' personal growth and skill building.

We do not cut. We do not have A and B teams. We do not promise college scholarships.

We teach. We believe in all our players. We know that with good coaching and a positive competitive environment all players will reach their potential and love the game.

The MPSA CRUSH philosophy and methodology are the foundation of our players' success. MPSA CRUSH players are currently starting for all local high school and middle school teams. Many MPSA CRUSH players have gone on to play college soccer. And all MPSA CRUSH players compete with a sense of style and joy.
