MORE THAN SOCCER

WELCOME TO MPSA CRUSH

MPSA CRUSH is about the relentless pursuit of excellence. We create a challenging but welcoming environment in which all players can learn and grow. MPSA CRUSH coaching staff is our strength. It includes US Soccer Federation A and B license holders, current and former high school and college coaches, current and former Olympic Development Program coaches, educators and fitness professionals. **MPSA CRUSH** teams participate in a wide range of competitions: Michigan Premier Soccer League, Western Suburban Soccer League, Michigan State cup, tournaments, futsal leagues, etc. They have opportunities to work with international coaches and to attend events in Europe.
