FUTURE STARS APR-MAY

MPSA CRUSH FUTURE STARS PROGRAM is a perfect introduction to soccer for girls and boys ages 4-6. **FUTURE STARS PROGRAM** provides a fun and age-appropriate learning environment in which young players discover and develop foundational body mechanics and soccer skills: running with the ball, stopping the ball, changing direction while running with the ball, passing, shooting, tackling, etc. Players also participate in short scrimmages. **FUTURE STARS PROGRAM** has been created by soccer and early childhood education specialists. A great way to learn to love the game!

Several 4–6-week sessions offered throughout the year. Enrollment is on one session at a time basis. Players must wear athletic shoes and shin guards. Players must bring a water bottle.
